Congratulations, District Showcase Winners!

Congratulations to Clark, LaPorte, and Vermillion County Districts for their outstanding District Showcase applications and accomplishments. IASWCD and agency partner staff will visit the Districts to learn more about their winning projects this fall. Also, award winners receive one complimentary registration apiece to the 2013 Annual Conference for Indiana SWCDs, an exhibition table at Conference to set up a display and materials to showcase their projects, and special recognition at the Conference's Awards Banquet.
